

Annotated Student Response

SAMPLE 1-POINT RESPONSE

Writing

2.

Are you tired of disciplining students because of their cell phones? Cell phone usage should be allowed. Increase using technology, better education, and emergency purposes. This would better our school starting up to date.

Technology is increasing everyday. Being able to learn to use the technology, the whole world is using technology why can't we use it during school?

This will give us a lot more resources to learn, our education would increase
